

# Finish the Picture Lab

LT-LD3-113099

**Purpose:** To demonstrate various aspects of creativity through drawing

**Placement:** Anytime after LT-LEC:IV,D

**Materials:** Finish the Picture handout

**Time Frame:** Varies

## Procedure:

1. Students are asked to take the handout and outside of class finish the pictures as best as they are able
2. Rules for finishing the picture:
  - a. are free to use whatever type of material desired
  - b. must use the actual sheet - illegal to redraw the line on another sheet of paper
  - c. can draw 9 separate drawings or combine the squares into one large drawing
  - d. no matter what the student's artistic talent or lack of they must finish the pictures
3. Give the students a fair period of time (1-2 weeks) to do the project
4. OPTIONAL: At conclusion collect the drawings and put up on the for class showing.
5. OPTIONAL: Have the finished pictures scored by the various classes. Usually best to have one class rate another. Extra credit points, bonuses can be given for the top pictures. If this option is taken students names should be placed on the back of the paper to insure total objectivity in the voting.
